Harbourline Homeware – Jul 2025 variance report

Gross margin 49.7% vs 50% budget · 27 lines checked · totals reconciled to source

Commentary

July revenue of £1,842,550 and EBITDA of £33,326 both finished ahead of budget, while the gross margin of 49.7% was slightly below the 50% target. EBITDA was 11.1% (£3,326) favourable to budget, driven primarily by higher than anticipated revenue.

- Sales: Wholesale revenue, £16,361 (4.3%) F; driver to be confirmed with Sales.
- Operations: Cost of goods sold, £16,886 (1.9%) U; driver to be confirmed with Operations.
- Technology: Salaries, £14,000 (10%) F and Contractors, £17,204 (78.2%) U; net £3,204 U impact as a senior engineer hire was delayed, requiring contractors to keep the website replatforming on schedule.

P&L summary

Line	Budget	Actual	Variance	Var %	F/U
Revenue	£1,820,000	£1,842,550	£22,550	1.2%	F
COGS	£910,000	£926,886	£16,886	1.9%	U
Gross profit	£910,000	£915,664	£5,664	0.6%	F
Opex	£880,000	£882,338	£2,338	0.3%	U
